Coastal Ballet Company

Coastal Ballet has been established in order to make a difference in the lives of children, teaching an art that will allow them to grow into adults who possess qualities reflecting leadership, perseverance and responsibility.

This base work within the lives of children, in return, provides enrichment within the community and surrounding areas. Through the arts and education we are able to develop the inner self from childhood into the adult years, creating unforgettable experiences that have the ability to transcend generations. The ministry of Coastal Ballet Company is to bring together a local connective experience, to positively enhance our surrounding communities..

If you would like to contribute through donations or volunteer work, please let us know! There are many ways to get involved, supporting the arts in our community!

The Artistic Director

Madame Rio received her training through the Royal Academy of Dance in London, England. Her tutelage in the Vaganova Method was coupled with instruction professional dancing during her time with The Juilliard School in New York, where she was taught by George Balanchine, founder of the Balanchine Method.

Madame Rio danced professionally with The Miami Ballet and The Alabama Ballet. During her time with The Miami Ballet, she was a soloist for Walt Disney Enterprises. Madame Rio served as Instructor, Ballet Mistress and Event Coordinator at the Alabama School of Fine Arts (ASFA) in Birmingham, and also ran two schools while in Birmingham.

After moving to South Baldwin County, Madame Rio Cordy opened Gulf Coast Ballet in Orange Beach. In 2009, she opened the doors to Coastal Ballet Academy in Foley, where she strives to bring an appreciation of Fine Arts to South Baldwin County's citizens and children. Madame Rio has groomed students who have become professional dancers, ballet teachers, beauty pageant contestants, and Olympic & International Ballet participants. Madame Rio's dedication to her students is enhanced by her desire to develop a mind, body and spirit symbiosis, which provides a deeper love of dance, music, and learning while providing joyful memories that will last a lifetime.

Madame Rio is delighted to present Coastal Ballet's 6th Annual Nutcracker Production. She is blessed to share this experience with each of you. May you and your family have a Merry Christmas and a joyful New Year!

❧The Nutcracker Story❧

Act I

Mayor and Mrs. Stalbaum host a beautiful Christmas party with their two children Clara and Fritz. As guests arrive they are greeted by the maids and shown into the parlor for dancing and refreshments. The mysterious Uncle Drosselmeyer arrives with gifts for the children: puppets, a Harlequin Doll, Kissy Dolls, Moor Dolls, and then a Nutcracker Doll for Clara, who becomes heartbroken when it's damaged. Clara falls asleep and mice begin to scamper. The soldiers fight the mice and their queen, and we watch as the Nutcracker transforms into a prince!

Act II

Led by Father Christmas and the Snow Maiden, The Nutcracker and Clara journey to the Snow Forest, and then on to the Land of Peace and Harmony. The Dove of Peace welcomes Clara and the Nutcracker where people and animals live together in serenity. A great celebration is held in honor of the visit, and emissaries perform dances from many of the world's great cultures. Clara and the Nutcracker Prince dance. All of the dancers join Clara and the Nutcracker Prince to wish everyone peace and love for the Christmas season.
